INTRODUCING TUFF BULL TWO WHEELER BATTERIES

Introducing the zero - maintenance VRLA Two Wheeler battery by TUFF BULL. Built with world-class Calcium Effects Technology, it delivers a power packed performance and endures tough Indian Road conditions. Tuff Bull comes with a 24 month pro-rata warranty that includes a 24 month free replacement warranty.

- The revolutionary Gas Recombination system eliminates water loss making the battery completely maintenance-free.
- The spill-proof design guards against the possibility of leakage, even if mounted in a tilted or inclined position.
- The advanced calcium-calcium technology leads to low self-discharge.
- Unique Flame Arrestor ensures greater safety.
- The AGM construction gives superior cranking power and better resistance to vibration and hence makes this battery the most reliable in the market today.
- The permanently sealed VRLA battery comes factory-charged. It needs no refilling, electrolyte or water.
